

Open Position Available

STRUCTURAL PROJECT ENGINEER

BOULDER, DENVER, FORT COLLINS, OR WINTER PARK, COLORADO

JVA is seeking a full-time structural project engineer to join our employee-centric team. Successful candidates will be capable of applying intensive and diversified knowledge of structural engineering principles and practices in broad areas. Project engineers work in tandem with senior staff to plan, schedule, and coordinate detailed phases of the engineering work on projects of moderate scope or on a portion of a major project.

Project Types

- Healthcare
- K-12
- Higher Education
- Mixed-Use
- Parks and Recreation
- Single- and Multi-Family Residential
- Municipal and Government Facilities

Founded in 1956, JVA, Inc. is a Structural, Civil, and Environmental engineering firm with offices in the downtown communities of Boulder, Fort Collins, Winter Park, Glenwood Springs, and Denver, Colorado. We specialize in civil, infrastructure, environmental, water/wastewater engineering, structural and historic preservation for public and private entities across the state and nationwide. We are employee owned, offer a competitive benefits package, advocate professional growth, and have long-standing relationships with contractors, architects, builders' groups, professional organizations, and community outreach programs. We have a strong internal corporate culture with sponsored events and social activities throughout the year.

Competitive Benefits:
Annual Salary Raises | Bonuses | Medical and Dental Insurance | Parental Leave | Life Insurance | Short- and Long-Term Disability, and Long-Term Care Insurance | Flexible Spending Account | 401K Plan | Stock Bonus Plan | RTD Ecopass (Boulder and Denver Locations)

Underrepresented individuals are encouraged to apply.

JVA is legally required to verify all new hires with E-Verify.
