Open Position Available

CIVIL DESIGN ENGINEER BOULDER, FORT COLLINS, OR DENVER, COLORADO

JVA has an opening for a full-time Civil Design Engineer to join our Civil Engineering team in our Boulder, Fort Collins, or Denver office. We are seeking a highly motivated person with a passion for engineering excellence.

As part of JVA's thriving Civil Engineering team you will work with mindful, experienced engineers who are devoted to sensible and conscientious problem solving for a wide range of projects across Colorado from rural farm towns and mountain projects to big city developments. We provide the necessary tools, support, and training to assist our employees in providing technically competent, high quality service to clients. Our professional culture values sound judgment, creative thinking, and design sensitivity.

JVA is active with the U.S. Green Building Council, and several JVA engineers are LEED Accredited Professionals.
