

Open Position Available

# ENVIRONMENTAL DESIGN ENGINEER GLENWOOD SPRINGS, COLORADO

JVA has a full-time opening for an experienced, creative and highly motivated person to join our Environmental Engineering team in our Glenwood Springs office.

## Qualifications

- B.S. in Environmental or Civil Engineering from an accredited institution
- 1-4 years Water & Wastewater treatment design experience for small to medium size municipalities and special districts
- E.I. License Required
- Experience in Colorado preferred, including hydraulics, process design, cost estimates, construction documents and specification preparation
- Knowledge of state regulations & design standards for water & wastewater design and permitting
- Strong written and verbal communications skills with client experience
- Passion for environmental engineering and service for our clients

JVA is headquartered in beautiful downtown Boulder, Colorado, with an office in downtown Denver, a northern office in Fort Collins and mountain offices in Winter Park and Glenwood Springs. We are licensed in all 50 states. Since 1956, we have a history of engineering excellence serving towns, cities, special districts, architects, owners, and builders on projects throughout the Rocky Mountain region and nationwide.

We have assembled a team of exceptional civil engineers and designers who believe in providing quality services consistent with JVA's corporate philosophy. Our staff provides a wide range of services including water/wastewater and infrastructure, site work, and structural projects with a large, experienced staff. JVA provides its clients with creative thinking, design sensitivity, cost-effective engineering, and high quality products and service.

JVA is active with AWWA, RMWEA, U.S. Green Building Council, DBIA and many of JVA's engineers are LEED Accredited Professionals.

In addition to our dedication to ongoing staff training, JVA has become an industry leader by investing in and becoming proficient with the latest design technology applications, including AutoCAD Plant 3D, Civil 3D, and Revit.

## Salary Range

- \$62,000 - \$65,000 Annually DOQ
