STRUCTURAL RESIDENTIAL PROJECT ENGINEER OR PROJECT MANAGER WINTER PARK, BOULDER, DENVER, OR FORT COLLINS, CO

JVA is seeking a full-time structural project engineer or project manager with significant custom residential experience to join our employee-centric team. Successful candidates will be capable of applying intensive and diversified knowledge of structural engineering principles and practices in broad areas. Although working out of the Winter Park office is preferred, candidates will be considered for our Boulder, Denver, or Fort Collins offices. Minorities are encouraged to apply.

JVA has assembled a talented team of engineers, drafters, and support staff who provide high quality engineering services. We are an open book organization that offers our staff flexibility and encourages community involvement. Staff training and continuing education is important to our culture and JVA's staff is active in builder's groups and professional organizations.
